Dear Club,

I thought I'd let you know about weekend away this summer that'll stick in my memory for a long time! It was the 4th June – and the start of my girlfriend's birthday weekend. I'd been planning her surprise for several weeks. I picked her up on the Friday evening, and as we drove to my house Rachel continuously threw out guesses as to what I had planned and where. The only clues I had given her in the days leading up to the weekend were that she would not need a passport and to bring with her suitable clothing for potentially both warm and cold weather. It was the English summer time after all!

By the time we reached my house it was getting late and we both knew that to make the most of the weekend we needed to leave relatively early in the morning. We had a quick glass of champagne each to toast the day and went to bed. I wanted and desired her like never before. We kissed and caressed each other sensually but both knew we needed to sleep, exhausted as we were.

We woke early on Saturday morning to the welcome sight of the sun streaming through the blind that I had deliberately not closed fully the night before. I lifted myself up to look at her. I lay alongside her, resting on my elbow and pulled back the duvet exposing my early morning erection. Rachel look stunning as the sun light fell across her naked body, bathing her skin in a golden glow. I looked at her hungrily; I wanted and desired her with

my whole being. My cock throbbed it was so hard.

"Sod it"! I thought and kissed her gently on the lips, ear lobes and neck. Gradually I worked my way down her body. I teased her nipples till they both stood hard and proud. As I continued to caress her Rachel positioned her body to enjoy my attention and started to breathe more rapidly. Finally I reached my goal – she was already wet. My tongue slipped easily inside her and I lapped up her sweet juices. She tasted like heaven and I wanted to feast on her passion for hours. Deep inside my mind, though, I knew we did not have the time. Rachel moaned with playful displeasure because I had not brought her to climax. "What's the matter, don't you like me any more"? She said. We had breakfast in bed and then got up.

“I pulled down her knickers and thrust my face into her soaking pussy.”

As we drove south I was again bombarded with incorrect guesses as to where we were going. It was not until we hit the back of a huge snake of very slow stop start traffic about 40 miles from our destination that she finally guessed correctly that we were heading to Bournemouth.

We finally arrived at our hotel around 3 o'clock. After checking in we almost immediately went for a walk along the beach. I was not in the best frame of mind, being tired and frustrated from the long drive and traffic delays that meant I was not able to treat Rachel to everything I had planned.

In keeping with the occasion I wore my best black suit and pink and white shirt, Rachel wore a patterned summer dress.

Dinner was at a fish restaurant right on the

“I could feel her working the muscles of her pussy against me, gripping...”

our embrace. I spun her round and bent her over the beam and dropped to my knees. Once again I lifted her dress and in the reflected light of the moon from the now ink black sea and stared at the thin black line of her thong. I pulled down her knickers and thrust my face into her soaking pussy. I licked at her lips and clitoris. Rachel moaned and almost screamed with pleasure; her leg trembled uncontrollably as I continued thrusting my tongue even deeper. I stood up and allowed my trousers to fall to my ankles. The cold sea breeze was refreshing and welcome relief for my rock hard aching cock. I looked down at Rachel, still bent over the beam.

“Don’t stop baby fuck me, fuck me hard right now!” she ordered.

Before she had finished her sentence I had entered her, she gasped as I slid deep inside and started to thrust slowly at first, then faster, then slower again. I varied the depth as well as the pace of my penetration. Rachel pushed back against the beam for extra pleasure. As my cock glided in and out I could feel her working the muscles of her pussy against me, gripping and releasing until she reached a shattering climax accompanied by a shriek of “I’m coming baby, I’m coming!”

I felt her hot orgasmic juice soaking and flooding along the length of my shaft that brought me to the point of my own climax. I withdrew and started to wank furiously. Rachel stood up and looked at me my shaft hard and glistening with her juice. Without saying a word she took me in her mouth and sucked passionately till I came, explosively filling her welcoming mouth with my hot, sticky seed.

“Happy birthday darling,” I panted.

Slowly we re-dressed and straightened our clothing and made our way back to the hotel. We giggled like naughty school children as passers-by looked at our wet and sandy clothing. I’m sure they guessed what we had been up to.

Henry, Hull.

sea front not far from the pier. Rachel indulged her passion for oysters and a main course of fish. Being more conservative I had a salad to start and steak for a main course. Our table was by a very large window that allowed an unobstructed view out to sea. It was a beautiful evening, a flat turquoise sea lapping at a golden sandy beach and fabulous food. It was a wonderfully romantic atmosphere. Slowly the sun sank in the sky and by the time we had finished our meal it was dark. Before returning to the hotel we decided to go for a walk along the beach to help our food digest and to round off the evening. Almost instinctively we found ourselves walking in the shallows of the sea as it ebbed and flowed. The water was icy cold yet somehow refreshing as we strolled along the now deserted beach.

Eventually we were beneath the pier standing amid the massive pylons supporting the gigantic structure of the decking above us. The pier and its pylons cast shadows in the gloom. Being out of reach of the beach front lights added to the sense of total darkness and isolation. The only sound was the waves breaking gently against the beach and base of the pylons.

I was still holding Rachel’s hand. I pulled her close and kissed her. As my lips met hers they parted to accept my tongue probing and searching the most sensitive regions of her mouth, lips and tongue. Locked in this passionate embrace Rachel eagerly sucked my tongue in the most erotic fashion whilst expertly undoing my trousers and sliding her hand between my legs. The cold soft skin of her hand found my cock struggling to find room to extend into a full erection. Gently she massaged me till I was at my full length and girth. We continued to kiss with such passion it was almost violent, I let my hands slide down to her arse and grabbed handfuls of her dress and lifted it up so I could caress the soft, warm, skin of her buttocks. Rachel groaned pleasingly as my fingers traced the crack of her arse till I was stroking her pussy, already wet with desire.

I licked my fingers to taste her sex juice before sliding my fingers back between her legs and inside her welcoming, clean shaven pussy.

“Oh God yes!” Rachel panted still wanking me. “Fuck me baby, fuck me!” she gasped.

I spotted a large metal cross brace between two pylons. I directed Rachel backwards towards the beam, still locked in

In doing this, Claire is aware that she will reduce half the population to a dribbling mess, but her carnal lust is so strong she just can't help herself. Rogue One: A Star Wars Story

DVD £9.99, Blu-ray £14.99

We are all familiar with John Williams masterful score that has been a constant cultural reminder of the original 1977 trilogy, where the cutting edge special effects of the day were dished out like Smarties to gleeful children. Those children are now adults and further generations have been drawn into the galaxy far, far away. So here we are again after the release of *The Force Awakens*, with the second one in this spin off block, *Rogue One*. Director Gareth Edwards has captured the pleasing aesthetics of the original Lucas films, which makes this *Rogue One* instantly familiar and comforting. But it's all going pete tong, with Imperial flags crossing most of the galaxy. The Empire is one it's way to intergalactic domination, but Jyn Erso (Felicity Jones) is given a mission that could shape the Rebellion, when a weakness is discovered in the Death Stars construction. Leading the Rebel Alliance to strike out on a suicidal mission to steal the plans for the Empire's ultimate weapon. There's a lot riding on the success of this mission. *Rogue One* can at times come across as whimsical but once the action starts flowing all is forgotten in a explosive laser popping whirl wind of shot outs and close shaves.

This latest edition to the Star Wars family has two enormous Death Star shaped balls!

Sully: Miracle on the Hudson

DVD £9.99, Blu-ray £14.99

Not a film you'd want to crop up as your in flight movie, but none the less an intriguing look into the events surrounding the Hudson landing back in 2009, by Chesley 'Sully' Sullenberger who saved the lives of all 155 passengers on board.

We saw the headlines and we watch the broadcast's as Sully was named a hero for his split second decision making and aviation skills. And split second it was, as from bird strike to emergency landing the whole event took literally 208 seconds. But as the media herald Sullenberger as a hero, the National Transportation Safety Board were investigating whether he had made the wrong decision, which is where director Clint Eastwood's calm analysis and Tom Hanks' self questioning come into play and personalise events.

Broadchurch - Series 3

DVD £14.99, Blu-ray £17.99

The charming seaside town is back for a third series that's as dark and bewildering as ever. DS Ellie Miller (Olivia Colman) and DI Alec Hardy (David Tennant) start off with their hands full when a woman comes forward to report a rape. The methodic opening to the first episode is completely engrossing and drags you into the series without hesitation as the twists and turns begin in what promises to be a daunting merry-go-round of investigation. DS Miller is all the usual understanding and compassion, but we can still glimpse the events of the first series crawling beneath her skin as Colman exercises her all expressive face to an extraordinary degree. Tennant is as brash as ever and compliments the sincerity DS Miller's character brings. If you missed it, then investigate it on DVD.

BeatsX Wireless Headphones

www.beatsbydre.com

To beat or not to beat that is the question? As Headphone Jacks seem to be going out the window left, right and centre with Apple leading the way, it is no wonder that Beat's, owned by the aforementioned is turning its next generation of releases wireless. BeatsX are solidly built little fellows, the children's mittens of in-ear headphones, with a linking wire that hooks around the back of your neck. Compatibility with iOS devices is superb and a quick charge feature that will give two hours of life off a five-minute charge. For the impatient among us, this is a godsend that will ensure uninterrupted listening whenever you choose. A good close fit to, make for a comfortable listening experience.

Nintendo Switch

Everything going hybrid these days, from your cars to your bikes and now your gaming consoles, as Nintendo release their latest and rather revolutionary Switch console, which became the fastest selling for Nintendo of all time. So after finally getting one up on Sony, what's all the fuss about? Well, for starts this is gaming that brings actual physical people together with detachable controllers that allow you to play as a handheld or separately. Switch also boast 6hrs battery life, though it takes nearly 3hrs to charge, it has a 6.2 inch LCD screen, 32GB of memory and a Nvidia Tegra X1 processor. It's almost too much fun to handle and reminds us there was a time before Facebook and Instagram!

Virgin V6 TV Box

www.virginmedia.com

Virgin have finally responded to Sky Q with the V6 box, and just like a first date, looks do mean something and this box isn't that pretty. She's all purr when you set her up, which incidentally is a breeze and with the ability to support 4K, HDR and Dolby Atmos, there's a lot going for the V6. The only downside is this box is ahead of its time with very little 4K being broadcast yet, which if you have to fork out £99.95 could feel a little disappointing. The V6 however, is a lot faster, smoother and logical with its tidy new interface. There's also a handy Find My Remote feature where the remote bleeps were letting you know its coordinates without you having to dismantle the sofa. So it's up to you really, if speeds your thing then upgrade, but if you're happy with your current TiVo box then sit tight and wait for the rest of the world to catch up.

The long-limbed Danielle Maye is perched on a chair, looking hungrily at the camera, as she fills the room with a dirty flow of thoughts, that we find extremely engaging and

understandably rather stirring. But knowing Dani with her naughty smile, this is her intention, and so we happily lap up any bone she throws our way while keeping one for her.

AISHA 

It's all about the bubbles where Aisha is concerned, and this lady is no stranger to the luxury of a spa day.

"I love getting pampered, going out with the girls and grabbing a massage after jacuzzi time. Once I had a really hot male masseuse who I could see was clearly finding the massage as arousing as I was. So I grabbed him by his semi-hard dick and popped it in my mouth, which soon had it rock hard. Now I know that being bent over a massage table is just as relaxing as being laid out on one."

I'm sure I saw a bottle of baby oil around here somewhere...

SCRUFF JUSTICE!

Please be upstanding!

40 Years Old, My New Vicious Life

Marc Dorcel

Starring: Sienna Day, Nikita Bellucci, Rebecca More, Sam Bourne, Luke Hardy, Tony De Sergio, Pascal White, Max Deeds, Adrian Dimas, and Ben Kelly

Synopsis: "My name is Tony. My wife Rebecca and I are the owners of a luxurious guest house in the English countryside. We have been married for a long time and our marriage couldn't be any happier. During the day, I have to go to my office to take care of business while Rebecca is in charge of our customers' well-being. Knowing her, I'm sure that she does everything to make them feel at home..." When this cute French couple asks her to bring them sandwiches in their room, she can't refuse. She certainly wasn't expecting to find them in such an indecent posture or that they would ask her

to join their little sex games. Courtesy of Marc Dorcel

Verdict: This is a serious country pile set against the backdrop of the English countryside, that comes with all the trimmings. Toast, tea and marmalade are on offer, though how and what you choose to use as a plate is entirely up to the guests. Rebecca Moore attends to all her resident's needs;

nothing is too trifling as she feeds her insatiable sexual appetite with her guests, staff and anybody passing really. But this doesn't go unnoticed as the hotel is rigid with camera's that allow her partner in crime to watch and get off on everything she does. These are some serious upstairs/downstairs goings-on.

Ethni-city

Wicked

Starring: Jezabel Vessir, Osa Lovely, Yasmine de Leon, Sarah Banks, Sadie Santana, September Reign, Kira Noir, Misty Stone, Chanell Heart, Nat Turner, Ricky Johnson,

Stallion, Eddie Jaye, Prince Yahshua, Tyler Knight, and Dirk Huge.

Synopsis: Award Winning Director Brad Armstrong and Wicked Pictures bring you one of the most highly anticipated movies of the year. ETHNICITY is that rare adult film that

seamlessly blends intriguing storytelling with passionate, meaningful sex. ETHNICITY examines a diverse group of people as they navigate the ups and downs of life.

Verdict: It's all gone stateside, kicking off with a get out of gaol free card and a warning that the hood is going to take you down. But after this stern warning, things heat up as Marcus has a threesome that greases his pole down to the root, that is before his wife

comes home and catches him in the act. Interlocking worlds seem to be the key to this film as a brother and sister, and two friends have ended up on different sides of the tracks. But the \$400 an hour lawyer still knows how to get down with his Missus like any of the boys. So with fast cars, and bitches, Ethni-city is a fast reeling, sexual explosion with enough booty to keep anybody happy.

ANNA 

Joy comes in many forms, and in our line of work, one of those forms is Anna, who has been giving us more than a helping hand when it comes to imagining rolling her hold-ups down. So with that in mind, Miss Joy artfully unleashes

a strip tease that has us captivated and the camera as you can see.

"I can't wait for all your horny readers to see this. Just thinking about it is making my pussy pulse."

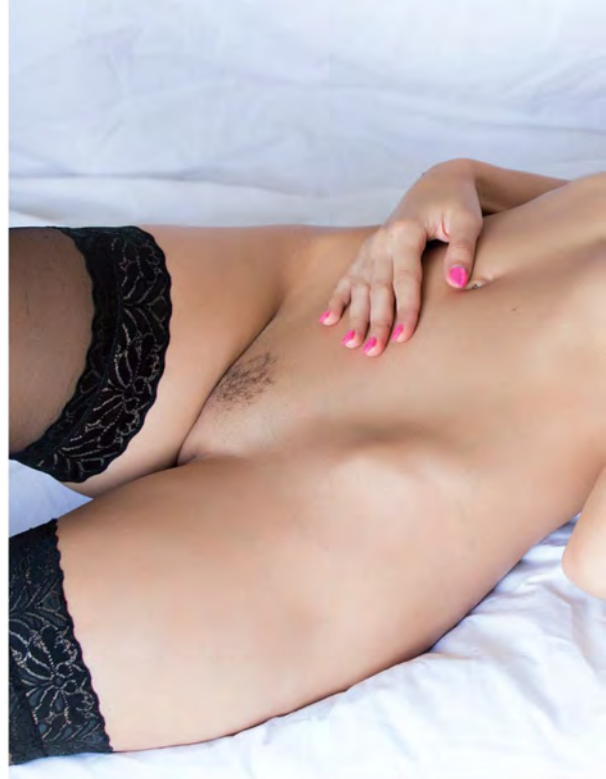

A little bit of joy goes a long steamy way.

PINT OF HEAD

My parents own a pub – a 'local for local people' -type place, although we open up the spare room to B&B guests. When I'm home from uni, I help out and sometimes take charge of the bar for a night, so they can have a break. That's how, one Monday night, I was running it single-handed, so they could go off to London to see a play, then spend a night at a hotel.

The place was dead apart from a few regulars and Mark and Helen, a couple in their twenties, who'd booked the room for a long-weekend break. I got chatting to them and, when I told them I'd lived in the pub all my life, Mark said, "Then you're my perfect woman – will you marry me?" Not the first time I'd heard that, and it got him an elbow in the ribs from Helen.

Then he said, "She fancies you too..." Helen told him to shut up, but he went on, "True. When you brought our food over, she said, 'That barmaid's gorgeous...'"

Helen looked a bit embarrassed, more for me than for herself, but I felt like her eyes were on me all night. And whenever I looked at her, or thought about her, I felt this strange tightness in my pussy.

I wasn't a virgin – I'd dated a few lads and slept with two of them, but I'd never thought about sex with a woman.

By about 10pm, they were the last people in the bar and, judging by how they were all over each other, I figured they'd be heading

off to bed soon. But then Mark ordered another couple of drinks and asked me to join them. I locked up, then grabbed a Coke and sat with them.

Mark insisted I add a shot of rum to it, and Helen told him off again, for trying to get me drunk. "I'd hope we wouldn't need to," she said and gave me a little smile – and it felt like my pussy was flooding. I knocked my drink back, then leaned in and kissed her – I just felt I'd regret it if I didn't – and after a few nervous pecks, we melted into a snog.

Mark looked like he couldn't believe his luck. "Fuck me, you really are my dream woman..." he said. "Well, if you like cock too, obviously." Tact and subtlety obviously weren't his strong points! Helen grabbed him by the crotch, hard enough to make him groan, then brought her hands up to play with my tits.

She was obviously happy to let him look after himself and he just watched until she pushed my T-shirt up, then gave my nipples a stroke. She started sucking on them through my bra, and they showed pink through the wet patches her mouth left as it switched between them.

I heard a rustle of clothing, then he unzipped his flies, and I could hear his hand slapping up against his cock as he wanked himself. I tried to focus on Helen, and what she was doing – this being my first time with a girl I wanted to savour every second. But then I glanced over and saw Mark's prick, fully hard, and I couldn't stop looking.

Helen seemed to sense I was distracted – and she grabbed what was left of Mark's pint and poured it over my boobs. Not because she was pissed off, but to tease him. "You've got my jeans all

wet," I said, so she got in behind me, reaching round to undo them and ease them down, as he took over sucking my boobs, undoing my bra.

My knickers were soaking too, from inside as well as out, and she took them off as well, her fingers brushing my mound.

My body squirmed from Mark's lips and tongue on my nipples, and Helen's exploring hands. She stroked my thighs and arse and I moaned in response, trying to coax her to move to my pussy.

I was touching Mark up too, stroking his chest and belly, reaching down to his cock. As I fondled his head and shaft he was letting out muffled moans, and as little drops of

“...she plunged her tongue deep into my hole, her fingers moving to my swollen nub.”

wetness seeped from his tip, spread over the rest of his prick by my hand, I knew I wanted to taste him.

I knelt down, rubbing it over my face as he stood in front of me. Then Helen told him to lie on the floor. Now I was crouched over him, squeezing and jacking his shaft as I got my first mouthful of his helmet. It was warm and salty against my tongue, the skin stretched smooth.

Helen was taking things slow, nuzzling my bum cheeks, although her fingers were skimming my outer lips now. I sucked Mark's prick further into my mouth, flicking my tongue all over it.

Now Helen had my cheeks splayed, exposing my arsehole and snatch completely. I could feel her breath against my slit, and felt my pussy spasm – the moan from her suggested she'd seen it.

I'd been desperate for her to lick me, but when she took her first taste, it was so gentle, I hardly felt it. I got a little aftershock, more from the realisation of what she'd just done than how it had felt, but she lapped

“
...her face against my slit, smearing the juicy, spermy mess all over herself.”

again, and there was no mistaking it.

I moaned and sucked so hard on Mark's cock he asked me to hold back a bit, but that wasn't easy, not with his girlfriend's tongue ploughing my slit now. She was mostly licking my clit, hands spreading my lips wide, but then she plunged her tongue deep into my hole, her fingers moving to my swollen nub.

As my juices flowed into her mouth and down her chin, I crammed as much of Mark's dick into my mouth as I could. He just went with it, straining as he tried to hold back, but as my orgasm started to build, I couldn't keep up sucking him.

I let him slide out, using one hand to toss

his spit-soaked shaft as my clit and pussy twitched under Helen's touch. Then it felt like every nerve and muscle was tightening like a spring, before I felt myself explode inside. Helen was sucking hard, trying to take every drop of my juices. Then she slipped two fingers in me, pumping out more.

"Fuck him now," she said. "While you're all tight and puffed up."

I'll be honest, I'd just cum so hard I could have laid down on the floor and gone to sleep and left them to it, but Mark's big prick was rearing up in front of me. By the look of it, it wouldn't be a long fuck, so I straddled him and lowered myself down as slow as I could, engulfing it inch by inch.

Helen stripped off and stood watching us, tits quivering as she probed her own pussy. I ground on top of Mark, fingers wedged between my clit and his crotch, trying to get myself off again before he came. But his hips started bucking, and he grabbed my thighs, pulling me hard down on his prick so it could spunk high in my cunt.

Every time I tightened, he winced, tender from cumming. Then Helen was in behind me again, hand over my hole as I pulled clear of Mark's shaft, trapping his spunk inside me.

She let some drip on to her tongue then rubbed her face against my slit, smearing the juicy, spermy mess all over herself. Then she used her hand to bring me to another orgasm, as I looked around to see her face and tits all wet and sticky.

I kissed her again, her boobs moist and tacky against mine, and played with them before feeling my way down in between her thighs. It just seemed weird – I'd played with myself so many times it felt familiar, though it was the first time I'd felt inside another woman's cunt.

It was first time lucky too – I had Helen cumming within a couple of minutes, but she was so horny by then, I think it would have been harder to stop her getting off!

I poured us another three shots at the bar – on the house! – then came back to find Mark playfully biting

Helen's arse and saying he couldn't wait to get it into the shower. I decided to call it a night – what had already happened was starting to hit me, and while I was glad I'd done it, I felt a bit overwhelmed. Anyway, the guest-room ensuite's so small, it's hard enough to fit two people, let alone three, in

the shower!

They checked out after breakfast the next morning – sort of a relief as I'd have felt seriously awkward if my folks had been around. But we've swapped contact details, so a "return visit" could be on the cards. But even if we never meet up again, I don't want my first time with a woman or my first threesome to be my last!

The place to be for the world's dirtiest backdoor sex stories, where every girl gets a bum deal...

COCKCORD

My name is Jenny, and I am in my first year at University. I still laugh when I think of my first day there, as I suppose you could say I started my career as a student with a bang. Yes, I do mean that I shagged a complete stranger on my first day at university! And no I don't feel in the least embarrassed about admitting it. Even the fact that I have a long-term boyfriend did not bother me on the day – and still doesn't, really.

Of course, I had not planned any of it on that first day. Myself and my friend Lisa, who was also a fresher, had been enjoying meeting our fellow students and learning our way around the grand old buildings.

As everyone but Lisa and I started filing out of the welcome lecture Lisa and I attended, a guy named Neil swaggered up the lecture theatre staircase on his way out, followed by his mate Tom. It was obvious they were both at ease in this new environment. I looked them over as most people slowly filed out, but the boys lingered at the stair-head. They were attractive and knew it, and it was the self-assured air and cocky attitude that made my pussy moist with excitement as I begin flirting with them.

I am tall and leggy, with blonde hair, which reaches almost down to my waist. My best feature is, however, my C-cup boobs, which

are self-supporting but look even better propped in a half-cup under-wire bra. That day I was wearing a black clingy low-cut top, which revealed my cleavage to best advantage and a pair of figure hugging jeans under which I had gone commando that day, as I hate to ruin the look of my jeans with annoying knicker-lines.

I could see Neil honing in on me and gave him my warmest smile. However, it was not my smile he was looking at but my tits, and when he came over to chat me up, it was almost as if he was talking directly to them. I wasn't a bit put off by this. I believe in making the best of your assets and I flashed my cleavage at Neil while absently running a finger across the outline of my nipple which was poking against the sheer fabric of my top.

I giggled as Neil began to openly paw me, and while I don't embarrass easily, his attentions were beginning to get me antsy. So, as everyone else had left and Tom had already begun to work on Lisa, Neil suggested to his friend that we cut classes and go somewhere less public.

Neil surprised us by being intimate with the building and led us down some corridors to a deserted room. He asked Lisa and Tom to stand watch, promising that we would return the favour when we were finished.

I caught a fleeting glimpse of Tom offering Lisa a hip flask as Neil bundled me inside the room, locking the door, and backing me against the wall. His hands went straight for my tits, and I began to

“It took him two or three thrusts to push his length right inside me...”

grapple with his trouser fastenings. In a blink, he had popped my boobs over the top of my bra and was suckling my nips as I struggled to get at his rigid cock.

He was well hung and erect as I grasped his thick cock and began wanking him firmly with one hand while gently juggling his balls with the other. Outside the door, we could hear heavy breathing as our look-outs forgot their sentry duties and enjoyed a noisy knee-trembler without a thought for consequences. I was so hot for Neil I didn't even worry when he tore my new top a little when he tried to pull it off. In fact, we were both laughing as I lay on the floor trying to wriggle from my tightly fitting jeans.

He whistled, then dived straight in, his tongue making straight for my pussy when he realised I was wearing nothing on my fanny except a freshly

“...he shot a stream of hot gooey spunk far up my throbbing pussy.”

done Brazilian wax job. His tongue lashed my protruding clit as he gulped, swallowing my hot juices as he ate me out, making me come again and again. I forgot all about where we were and when he asked me if he could take me doggie I eagerly agreed and rolled over onto my knees, with my arse pushed up and my face and elbows resting on the ground.

In a shot he had my arse-cheeks parted and began rubbing his big cock up and down my bum- crack. He got my pussy dripping, moving some of the moisture around to my tight arse hole with his cock head before entering me from behind. It took him two or three thrusts to push his length right inside me and each one brought a blissful tingling to my arse and cunt. In and out he pumped, hands reaching forward to twiddle my hard, sensitive nipples as he shagged me. I couldn't get enough of the feeling of having my backdoor hole stretched out by Neil's meaty monster. It was heaven as he shunted his entire length in and out of me.

Neil began sweating as he picked up the pace and I felt my next orgasm building up, and as the first tingles grew into earth shattering spasms I threw my head back and let out a scream of pleasure. Neil quickly grabbed my mouth trying to muffle the noise as my body bucked in response to his plunging cock. My pussy throbbed wildly, contracting around his thick shaft as he fucked me mercilessly. Gasping for breath at the intensity of my orgasm I closed my eyes, howling once again as he shot a stream of hot gooey spunk far up my throbbing pussy.

We collapsed on the ancient wooden floor, giggling as we rolled apart. Then like a gentleman, he offered me a pack of tissues from his jacket pocket for just such an emergency. When we were semi-respectable, we opened the door just in time to see Tom's bare buttocks tense as he too shot his mess into Lisa as they finished what looked like a very hot standing fuck against the oak panelling. I can tell I'm going to learn a lot in the next three years and not all of it in the classroom.

Pretty good for my first day of higher education, don't you think?

ANGELIKA ♣

Red hot Angelika was busy tending her garden when we popped by. No, not her lady garden (honestly), we can see that's been well and truly stripped.

Do you always prune the roses in your bikini?

"A little bit of gardening soothes the soul and why not do it in a bikini? You never know what might happen in the shrubbery."

Ah, you a girl with outdoor pursuits?

"It's all the openness and fresh air; it tends to send me into some sort of horny overdrive."

Did you fancy a turn in the park then?

"Nice try."

ANGELIKA 

What our well-placed moles are telling us this month...

DOWN THE WIRE

Gusty Front!

High smelly winds have been forecast across the south, oh no, wait, it's a kid that's just wondered on set, farted live on TV and appears to think he's some kind of giant bird. Patrick Ellis of Mississippi's WLBT did his best as the little invader forecast "there are farts everywhere and toots." Ellis kept his cool and tried to interact with the boy but learnt why showbiz advises against working with animals and children, as the child appeared to shift

his rear towards the presenter in a bid to get him with a fart cloud. The child was reportedly the son of a lawyer who was appearing on another show at the station.

Peeping Drone!

Space invaders was a popular game back when computer monitors needed a desk to themselves, but it looks like one woman was battering down the hatches after discovering a drone filming her house. The incident took place in Washington State after a woman on spotting her home being filmed from the sky began to sling things at the drone, before returning with a pellet gun, which she did not fire. A 59-year-old woman did complain to the police, and they stated that after an investigation no crime had been committed as the video went viral, even though evidently the drone had set its camera at the home.

Cod Links!

This alligator caught a whole in one and what a whopper it was! Golfer's in Florida on the 10th hole filmed an alligator moseying along with a fish that was half it's own size between

its chops. Apart from that fact that apparently, an alligator on a golf course is nothing new, this one clearly had a bit of an appetite on him. The golfers at the Seven Springs Golf and Country Club were amazed at the sight of the reptile, which they were happy to give plenty of room to and probably thanking their stars it wasn't them between its snappy jaws. It just proves that gaiters are remarkable huntsmen.
